Why me?

Original and highly authentic design concepts is what I come up with at ease.

Partnering with me you'll get a unique solution tailored for you down to every little detail.

My Profile

My focus and passion is interior design and 3d visualisation.

As a freelancer

I craft custom highly authentic designs for living.

10 years of designer experience lay the solid foundation for professional results.

Computing Skills

Among software

I master are AutoCAD,

ArchiCAD, 3ds Max and

Adobe Photoshop.

I provide end to end solutions

Personally

I am fond of arts, drawing, cross-stitch embroidery.

Two large parrots and two fluffy dogs watch me model every day. 3d interior and living design studio "Belka"

I love my job very much
